

# Faith in Jesus Christ is the only way to escape sin!

Everyone that enters life has a need to be forgiven of sin by the Grace of God.

God is love and He is worthy of all praise.

- (A) Trust in Jesus and follow His ways
- (B) Live a pure and honest life daily
- (C) Surrender to God out of obedience

Thinking that you could live without God is like trying to convince an attack dog that you are a good person and you deserve to be spared from a deadly attack!

**If you're lost, get saved right away!**  
**John 3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.**

Psalm 34:7 The angel of the LORD encampeth round about them that fear him, and delivereth them. 8: O taste and see that the LORD is good: blessed is the man that trusteth in him. 9: O fear the LORD, ye his saints: for there is no want to them that fear him.

(Right Ingredients)  
Faith Article  
\*\*\*\*\*

There was a situation where a Business Advisor convinced a Company to change the ingredients to give a better taste to their product. After doing so the Company was never able to recover from the loss of sales and they were forced to shut down.

My Friends, the right ingredients has been placed in God's Word to give life all the taste and flavor ever needed! All we must do is to feed on it and let it bless us to the fullest!

We are not here to try and improve what does not need to be corrected; God's Word is the answer to every problem and has the key to unlock any door!

Also, be very careful from whom you take advice from because if they don't agree with the Truth of God, then they are spreading the lies of Satan. Just walk on by and keep trusting in Jesus.

Those that live what they profess have been given the right by God to spread His Word to a lost and dying world of sin and darkness! Getting saved from sin is up to those that receive it!

Don't let evil thoughts or wrong advice lead you down a broad road into destruction. To give in to such a deception could shut you out from receiving the gift of eternal Salvation and cause you to be eternally punished for rejecting the love of God!

## Beautiful Thoughts

Because of Grace we can have everlasting peace.

Living in the light is to overcome the darkness!

A soul that is praying is a life on track with God.

Saying things to encourage others spreads hope.

By receiving Truth our minds are made stronger.

Reaching lost souls is far greater than not caring!

As time moves on we are headed for a brighter day!

Jesus Christ gives us mercy over destruction!

We have a reason to carry on by living in Faith.

A Child of God is a sinner turned into a Saint!

(Plan Of Salvation)

To accept Jesus Christ as your Saviour  
please pray this prayer :

"Dear Lord Jesus: I'm sorry for my sins. I repent and put my trust in the Blood that You shed for me on the Cross. I now accept you as my Saviour and have faith in your Holy Word. Thank you for saving me."

1 Thess. 5:17:

Pray without ceasing. 18: In every thing give thanks: for this is the will of God in Christ Jesus concerning you.

(No Matter What)  
Poem

Early in the morning at sunrise  
fog is dissipating into the skies.

Blue Bird singing a lively tune...  
won't be long it will be early noon!

We are riding upon a great big globe:  
Only Jesus Christ can carry our load!

Let us rejoice for God inhabits praise...  
He's given His Children what do amaze!

Live life knowing He's watching our path  
make every single second to forever last!

There's no need to consider giving up...  
Jesus has bless us with an overflowing cup!

No matter what the situation may be...  
you're still God's Child: He has set you free!

Yesterday a memory: today is a blessing  
upon God's promises we are resting!

Please hear this truth once and for all...  
you're secure in Faith: on Christ we call.
