

Before giving up, we need to look up and see that there is much to do and no one else can do your job, but you. The world will look to turn you away from the Truth of God; however, look to the Cross of Calvary and there you will find the answer! Jesus was willing to follow-through with His Father's plan of redemption. Each of us has been given a task, whether you think so or not. It's all in God's Hand as we seek Him... the rest is up to us. The things that God has allowed us to do is a true blessing. Otherwise, Christ is the One to get all the Glory! Thank you or anyone else that hears what God has given to me to offer to others. The final results of what we do will be determined as to how each of us choose to live our life.

Choose well!

(We Fly Soon)
 Poem

As we look to God in love...
 Blessing are sent from above!
 When things seem very unsure:
 We fly soon is the Miracle cure!

While on earth we live the life:
 Peace and hope over all strife!
 Around the town people so sad:
 We fly soon can make us glad!

Never a doubt when Truth appear:
 Surrender in Faith and draw near!
 Sun and stars: Jupiter and Moon:
 Above this planet we fly soon!

Many refusing to see the light...
 They lie and lust, curse and fight!
 Jesus to come: morning, night or noon
 Believers are leaving: we fly soon!

**Many Refuse to See
 what may be out ahead
 of them!**

It is a fact that if it was revealed to me that around the next curve my car was going to be struck by a deadly, oncoming Tractor Trailer Truck, that my direction would change immediately! Well, just like a storm warns us to get inside in order to not get struck by lightning... a soul can look out ahead in Faith and avoid being hit by the oncoming judgment! Yes, Jesus took our judgment so that we can be safe from eternal punishment: now it's up to us to turn-around or get-inside the ark of safety in order to be saved from our sins!

John 3:17 Jesus said: For God sent not his Son into the world to condemn the world; but that the world through him might be saved.

If someone was to ask me why good people suffer and little children get sick... you would surely be asking the wrong person. My mind can only take in so much at the time, but it is for certain... we don't have the answer to every question. God knows every answer as to why things happen the way they do. My belief is... some things we will never understand while on this earth. Up in Heaven God will then reveal to us why certain things did occur. And then, that is when all of this will make more sense. That is not to say we need not ask, why? However, it does mean that we must carry on and not give up, even if God holds back the answer at this time to certain questions. In other words... God knows best, no matter what happens, or why! Jesus Christ is always in control, and nothing can happen that will destroy the soul of a true Believer! Just keep trusting Jesus Christ, no matter what! Then, on that day: as God sees best; we'll all understand it better, bye and bye!

Deuteronomy 29:29: The secret things belong unto the LORD our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law.
