

Each day presents a new-challenge, and there will be trials that will try to cause us doubts or fears. However, battles for a Christian can only strengthen us and make us more determined to carry on! Thanks again (in the name of Jesus) for all those that are doing what they can to make life better despite the conditions we all are facing. Like a Bird being snatched out the mouth of a cat... God will pull us out of every situation that would try to harm us. Stay strong and safe!

Finished results: Peggy supervised this project or else this deck would end up at the bottom of the hill. Like Brother Bob Epps told me once: "Brother Donnie... just stick with Preaching."

Preaching Platform

Pastor Dixon appears to be nailing a nail into new Preaching deck; only problem is there's not a single nail in this deck, only screws!

Picture of a Bird that Peggy rescued from the mouth of Ringo the Cat. The Cat was mad but the Bird was glad!

Ringo caught in the pantry scoping out his next plan of attack. Oh well: Cats will be Cats!

There is no substitute to Salvation and we need Jesus beyond what our minds can fully comprehend. There is no doubt that things are surely leading to that which is to come: The return of The King of Kings and the Lord of Lords.

The Great Commissions is still in effect, if not more so: Our God is able to help us to overcome any trial, so let's do our best as we near the return of Christ!

Thank God for those that care what all is going on and we need to keep praying that others will get saved before time takes its everlasting toll.

The Word is the Word and we must receive it no matter what the conditions are around us. The sad thing that we see going on is how many are still trying to leave God out of their lives, even in this pandemic.

Jesus Christ knows more of what we need than we do and He can see us through any conditions that this old world tries to throw at us. The Word continues to go out as the Name of Jesus is being lifted up!

Epheians 5:16 Redeeming the time, because the days are evil.

Although things are difficult right now... we believe that God is still in full control. As Christians, we must give God time to work this pandemic situation out but until then, we must pray it out. The Lord is at hand!

Jesus Saves Outreach Tract

(1Timothy 2:1) I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; 2: For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. 3: For this is good and acceptable in the sight of God our Saviour; 4: Who will have all men to be saved, and to come unto the knowledge of the truth. 5: For there is one God, and one mediator between God and men, the man Christ Jesus; 6: Who gave himself a ransom for all, to be testified in due time.

God has made a way to keep reaching out and there is no giving up on the Gospel. The Bible is fulfilling each day and we are closer to the return of Christ than ever before. This is not a time to look back or give up; God said we need to press on and keep looking up. The time is at hand!

(Smell of Springtime)

\*\*\*\*\*

Smell of Springtime in a honeysuckle vine: Wind is softly blowing All is exceptionally fine. Birds singing sweetly Clouds are drifting by: Not a hint of sadness Neither a sadden cry.

Heaven sends a message Love is in the air: Children outside playing Not even an ounce of fear. What we are seeing now It can hardly be described:

Peace beyond measure Without a need to hide. All over this little town Friends looking around: Family on a little picnic Near a river they are found.

All is Majestically well Time momentarily forgotten: Out in a plowed meadow A Tractor planting cotton. Smell of Springtime Such a lovely feeling: Like a spiritual medicine That offers us a healing!
