Poems About Truth

Never holding back
No time to be slack.
Nearing the finish line:
Not a doubt in my mind!

Just a message: mercy over sin
Join us in hope: be Born-Again!
Jesus saves and He will defend...
Jubilant victory: Saints to win!

Surrender your all
Salvation the key.
Sweeter than sugar
Souls are set free!

Walking in the Light
Wanting what's right
We believe in our Lord!
Word of God is the Sword

Together caring in all we do...
Together we follow what is true.
Together being the faithful few...
Together forever: God loves you!
