Everything is clear what must be done: It's up to us to follow God's Son! We all are offered a glorious task: Before we start take time to ask. God will show you just want to do: To win the victory we must be true. Moving forward step by step: Call on Jesus to give you help! To carry on through thick and thin: Live in Truth, hate the sin! Everything matters from earth to Heaven: By God's Grace we can be forgiven! Once getting saved forever set free: Today is the day from evil to flee! Everything we do is written down: Within God's Word it can be found! Angels are with us so let us sing: Keep praising God in everything.

Just trust in Jesus and let that be sufficient when it comes to your righteous ways.
Many people have tried to leave Jesus out and make themselves look righteous but they are as lost and confused as a whirlwind in a snowstorm!
To compare our righteousness to that of Jesus Christ would be like trying to drive a car across water without a bridge. And surely my point here is you'll end up at the bottom every time!
You could dream about a mountain of gold and after waking up you find yourself surrounded by a landslide of mud.
To try to be someone you cannot would be like dreaming something bright and beautiful with it never coming true.
No matter how righteous anyone may think they are and would try to be, they still cannot be as righteous as Jesus Christ. This is one reason why Solomon wrote that we are not to be righteous over much.
Ecclesiastes 7: 16
Be not righteous over much; neither make thyself over wise: why shouldest thou destroy thyself?

God is Love

Age is important but knowing where your soul is headed is more important!

This Tree was slowly dying and has become endangered of falling: same as people; we are endangered by sin, and to not get saved, you are headed for a fall.

Joshua 24:15
And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

Be a Winner for Jesus!

You may can judge a tree by its bark but you can't judge a person by their age.

Getting older doesn't mean you are getting ready to die: it means that you have learned how to enjoy living!

Before writing an older person off, you need to find out what age group is immune to death.

The older we get in time, the younger we think in mind!

It's not time to give up once you get older... it's time to test and see who offers the best help for your condition and go on living! God is able.
