

And in this case, we're talking accountability and not Psychology!

Well, that may work in an opinionated situation but when it comes to your soul, this is when you either accept responsibility for what was spoken or either you refute the entire message itself!

And in this case, we're talking accountability and not Psychology!

Again, what this means is... to ignore the Truth of God's Holy Word is to answer as to why you rejected it, despite every warning being given in the process of its delivery!

Final results will show if a real decision was responded to, or if total rebellion did take place! Time will tell; Judgment Day is nearing! It's not too late to get saved from sin, now. The choice is up to you! Are you listening?

Romans 10:17 So then faith cometh by hearing, and hearing by the word of God.

(Faith Article)

Listening is a form of compiling knowledge before making a response. After thoughts are gathered then comes decision time.

What you learn will result in agreeing or disagreeing with what was spoken or putting it off to one side till a later date.

(Overflowing Thoughts)

When you show that you care, then God is very near!

After a time grits go bad and gather roaches and other bugs; therefore, use your time wisely or else your life could do likewise!

What we have learned about life, is that: no matter what we can never learn enough about life!

Being true also helps keep you ready!

Stay in touch with Truth and you will be in tune with life!

Never go along with something that is wrong and keep singing that happy song!

Stop saying, "I just don't have enough time" and start using the time that you do have!

Say, "Yes" to what's right and keep evil out of your sight!

Be not afraid of who may be tearing you down, be more afraid if you are not building others up!

How could you say you are blessed if you never bless someone else!

(Trust over Trickery)
Poem

Many a nest egg has been cracked:
All because a Computer was hacked!
Money transferred to Switzerland or Spain
Now their Retirement is not the same!
Sad but true how this can quickly be:
People so cruel and won't bend a knee!
Someone comes to steal your Savings:
Greed and vanity, how many are behaving!
Within a Country where hard-work is done:
To perform a job in the name of God's Son!

As folks do their best over the years...
A Thief comes along to put you in tears!
Refusing to work: ripping people off...
Cheating and stealing, regardless the cost!
God can help the innocent to endure...
A Payday for evil is coming for sure!
Loving one another is the perfect key
Only Faith in Jesus can set you free!
Get on board... rejoice and go forth...
Christ is near: He's our Eternal Source!

Believe, Read and Heed the Bible!

And remember...

Faith is more powerful than our feelings or emotions:

That is why we need Jesus more than self!

Trust Jesus with your Life...

Abide in Love and avoid strife!

Do your best day by day...

God will hear when you pray!

Jesus Christ is the only One that can love you more than anyone else ever could!

Psalm 37:3 Trust in the LORD, and do good; so shalt thou dwell in the land, and verily thou shalt be fed.

Putting off getting saved is like sitting on a Railroad Track blindfolded hoping to not get hit by an oncoming Train. Escape while you can!

Faith in Jesus Christ will deliver you from self-destruction!

Psalm 37:4 Delight thyself also in the LORD: and he shall give thee the desires of thine heart. 5: Commit thy way unto the LORD; trust also in him; and he shall bring it to pass.
